Facilitator(s): *Ms. Jennifer Verschoor*

Jennifer Verschoor graduated from St. Andrew's Scots School. She holds a degree in Literary, Technical and Legal Translation as well as a Bachelor's degree in Educational Management, English Teaching and ICT in the Classroom validated by Trinity College London. She holds an MA in Virtual Environments and a Specialization in Education and ICT offered by the Ministry of Education in Argentina. She is the co-author of *My First Digital Journey*, an ebook published by The Round in December 2012. Currently she is working for the British Council in Argentina and Chile, ESSARP, Universidad Tecnológica Nacional, Cambridge English and SimpleK12 giving teacher training courses on the integration of ICT. She has been hired by SBS International to co-moderate TIC en el AULA, nominated for an ELTon Award in 2013 under the category Local Innovation.

Objectives: We will explore the right approach and successful implementation of getting started with augmented and virtual reality.

Contents: Virtual Reality
Augmented Reality
We will cover these important questions: What's the difference between augmented and virtual reality? What are your goals in using this technology? Who is part of the collaboration in using AR and VR? What are the best tools for my students?

Bibliography: To be shared during the webinar.

Methodology: Interactive webinar.
