- Objectives:**
- To celebrate and share experiences with visible thinking strategies.
 - To brainstorm collaboratively.
 - To reflect on challenges encountered and explore strategies for improvement

- Contents:**
- Revisit core principles and the value of visible thinking
 - Collaborative brainstorming: How might we expand routines to new areas?
 - How to adopt and adapt basic and new thinking routines

Bibliography: As usual, we will share resources and bibliography as needed during the modules.

- Methodology:**
- All participants will be invited to share their expertise with the Visible Thinking framework
 - Each module we will revisit Thinking Routines and participants will be invited to send their own practice examples
 - We will look into what went well, what could have been better and decide on the next steps
