Please enrol before: **2024, May 28th**

Facilitator(s): *Mr. Ian Tate MA*

IGCSE Mathematics teacher for over 30 years. Headmaster (retired) for over 20 years. Enthusiastic to be able to support teachers who are dedicated to one of the most noble professions there are.

- Objectives:**
- To become aware of the aims and content of the subject as well as its requirements and challenges
 - To introduce teachers to the exam components and papers
 - To analyse how specific skills are assessed in the different exam components
 - To discuss the role and importance of assessment and feedback in the preparation of students sitting for IGCSE Mathematics
 - To share experience concerning the preparation of this exam
 - To build a mutual support network of IGCSE Mathematics teachers through ESSARP.

- Contents:**
- General description of the aims and objectives of IGCSE Mathematics
 - Subject content
 - Description of papers
 - The IGCSE approach to the teaching of your subject
 - Assessment Criteria (positive achievement approach)
 - Recommended bibliography and Internet Resources (Teacher Support Hub)

Bibliography:

Methodology: The webinar will include an expository session delivered by the facilitator and followed by Q & A section.
