Facilitator(s): *Ms. Luciana Fernández*

Luciana Fernández is a graduate teacher of English who has been teaching English for the past twenty-nine years. She has specialized in Methodology and Teaching Practice and she holds a Diploma in Educational Research from the University of Cambridge, Faculty of Education. She holds two post graduate certifications in Thinking Cultures and Teaching for Comprehension. She is a Reading and Literacy expert and has been training teachers in this area for the past fifteen years. She is a teacher educator and has designed several presentations and courses for professional development both in Argentina and abroad. Her presentation at ARTESOL 2015 was selected to be presented at TESOL International as a Best Affiliate Session. She is one of the 50 scholarship winners who attended and presented at IATEFL, held in Birmingham in April 2016. She was later on invited to be a presenter at the Young Learners and Teenagers SIG pre conference event and at the main conference. Luciana has been the Head at several bilingual IB institutions in Buenos Aires. At present she is a school advisor, teacher trainer and facilitator at ESSARP (English Speaking Scholastic Association of the River Plate), where she trains heads and teachers from the most important bilingual institutions in Argentina.

Objectives: Get participants to:

- understand the cognitive processes involved in reading.
- understand reading comprehension as higher cognition.
- explore the different strategies effective readers use to make meaning out of what they read.
- explore classroom instruction and best practices rooted on this knowledge.

Contents:

- Brain versus mind.
- The role of the mind in reading comprehension.
- Parts of the brain involved in reading comprehension.
- Reading strategies.
- Reading comprehension levels.

Bibliography: To be specified.

Methodology: In this distance course participants will:

- read and view material suggested by the facilitator.
- participate in different reflective tasks suggested by the facilitator.
- see other practitioners in action.
- explore resources and materials for the classroom.
