Sede: ESSARP - Deheza 3139, CABA
Sesiones: 2 **Asistencia para el certificado:** 2 **Vacantes por colegio:** 1
Para: Teachers who want to develop their classroom practice and would like an introduction to active learning and assessment for learning approaches focused on Science. It is also suitable for Heads of Department or senior leaders who want to further their understanding in this area

Por favor inscribirse antes de: **9 de Febrero, 2026**

Capacitador(es): *Dr. Mark Winterbottom*

Objetivos: In this course, you will explore how to embed Active Learning and Assessment for Learning into your classroom practice. Under the guidance of an experienced Cambridge trainer, you will explore the following key questions:

- What is Active Learning?
- What is Assessment for Learning?
- How do Active Learning and Assessment for Learning raise student achievement?
- What practical Active Learning and Assessment for Learning tasks can you apply in your school context?

All Cambridge Enrichment courses focus on giving you practical ideas based on academic research.
